EXHIBIT A

EXHIBIT B

If the Grantor shall pay the Deed of Trust Note secured hereby in accordance with its terms and shall comply with all of the covenants, terms and conditions of this Deed of Trust and a Loan Agreement by and between the Grantor and Beneficiary, of even date herewith (hereinafter "Loan Agreement"), then this conveyance shall be null and void and may be canceled of record at the request of the grantor. If, however, there shall be any default in any of the covenants, terms or conditions contained herein, in the Loan Agreement, or in the Deed of Trust Note secured hereby, or in any subsequent instruments executed between the parties hereto, and such default is not cured within the period of time, if any, provided therefor in those instruments or otherwise specified in writing by the Beneficiary, then the remedies provided herein and in those instruments shall be available to the Trustee and Beneficiary. By way of illustration but not limitation, the Trustee is specifically authorized and empowered, upon request of the Beneficiary, to sell the Premises herein conveyed at public auction for cash, after having first given notice of hearing as to commencement of foreclosure proceedings and after having obtained such findings or leave of court as may be then required by law, and giving notice and advertising of the time and place of sale in such manner as may be then provided by law, and upon compliance with the law then relating to foreclosure proceedings under power of sale, to convey title to the purchaser in as full and ample manner as the Trustee is empowered. The Trustee shall be authorized to retain an attorney to represent him in such proceedings.

EXHIBIT C

15. Wherever the term "Promissory Note" occurs in this document, it shall refer to the Deed of Trust Note between Grantor and Beneficiary of even date herewith.

16. Future Advances. This Deed of Trust is given to secure all present and future advances and re-advances by Beneficiary to Grantor, if any, and also to secure the performance and observation by Grantor of all of the other terms, covenants, conditions and agreements of this Deed of Trust, the Deed of Trust Note, the Loan Agreement and all other Loan documents, as the same from time to time may be modified and amended.

Future Advances shall include all amounts payable by Grantor to Beneficiary under the Loan documents, any fees or interest accruing under the Loan Agreement or Deed of Trust Note, and shall also include any amounts paid by the Trustee or the Beneficiary to protect or preserve the Premises or to protect, preserve, uphold and defend the lien of this Deed of Trust on the Premises, or for taxes, assessments or insurance premiums, or for performance of any of Grantor's obligations hereunder or under any of the other Loan documents, or for any other purpose provided herein or in the other Loan documents, whether or not the original Grantor remains the owner of the Premises at the time of such advance.

The amount of the present advance secured hereby is _____ (\$ _____) following the execution of this Deed of Trust; provided, however, that said period may be extended by Beneficiary up to, but not more than, twenty (20) years from the date hereof. The maximum principal amount, including present and future advances, which may be secured hereby at any one time is equal to the principal amount of One Hundred Ninety Three Thousand Five Hundred Six and 00/100 Dollars (\$193,506.00); provided, however, that said maximum amount may be increased by such additional sums and amounts as may be advanced by Beneficiary pursuant to the provisions of this Deed of Trust, and all such expenditures for the protection of the security in accordance with the provisions of Section 45-70(c) of the General Statutes of North Carolina. The period within which the future advances may be made hereunder will expire fifteen (15) years from the date hereof and shall be governed under the Loan Agreement.

17. Due on Sale. In the event that all or any portion of the Premises is sold, transferred, assigned, conveyed or otherwise disposed of, whether voluntarily or involuntarily, other than the lease by the Grantor of a "Dwelling Unit" (a term defined in the Loan Agreement) to an "Eligible Tenant" (a term defined in the Loan Agreement), then the principal sum of the Deed of Trust Note secured hereby shall immediately become due and payable in full.

18. Right to Enter and Take Possession. In the event of a Default, and in addition to, and not in limitation of, any and all rights or remedies available to the Trustee or Beneficiary as a result of any such Default either by law or by any other provision of this Deed of Trust or any of the other Loan documents, the Beneficiary, in its sole discretion, may elect to pursue the following remedy. Irrespective of whether Beneficiary accelerates the maturity of the indebtedness, the Beneficiary, or by such officers or agents as may be appointed for such purpose, may without notice, enter upon and take possession of the Premises or any part thereof, with or without the appointment of a receiver, or an application therefor, and may exclude Grantor and its agents and employees wholly therefrom, and may have joint access with Grantor to the books, papers, and accounts of Grantor. If Grantor shall for any reason fail to surrender or deliver the Premises or any part thereof after such demand by Beneficiary, Beneficiary may obtain a judgment or decree conferring upon Beneficiary the right to immediate possession or requiring Grantor to deliver immediate possession of the Premises to Beneficiary, and Grantor hereby specifically covenants and agrees that Grantor will not oppose, contest or otherwise hinder or delay Beneficiary in any action or proceeding by Beneficiary to obtain such judgment or decree. Grantor shall pay to the Beneficiary, upon demand, all expenses of obtaining such judgment or decree, including reasonable compensation to Beneficiary, its attorneys and agents, and all such expenses and compensation shall, until paid, become part of the indebtedness. Upon entering upon or taking of possession of the Premises, Beneficiary may hold, store, use and control the Premises and conduct the business thereof, and from time to time (i) make all necessary and

proper maintenance, repairs, renewals, replacements, additions, betterment's and improvements thereto and thereon, and purchase or otherwise acquire additional fixtures, personalty and other property; (ii) insure or keep the Premises insured; (iii) manage and operate the Premises and exercise all the rights and powers of Grantor to the same extent as Grantor could in its own name or otherwise act with respect to the same; and (iv) enter into any and all agreements with respect to the exercise by others of any of the powers herein granted to Beneficiary, all as Beneficiary from time to time may determine to be in its best interest. Beneficiary may collect and receive all the income, rents, issues, profits and revenues from the Premises, including those past due as well as those accruing thereafter, and Beneficiary may apply any monies and proceeds received by Beneficiary, in whatever order or priority Beneficiary in its sole discretion may determine, to the payment of (i) all expenses of taking, holding, managing and operating the Premises (including, but not limited to, compensation for the services of all persons employed for such purposes); (ii) the cost of all such maintenance, repairs, renewals, replacements, additions, betterment's, improvements, purchases and acquisitions; (iii) the cost of insurance; (iv) such taxes, assessments and other similar charges that Beneficiary may at its option pay; (v) other charges upon the Premises or any part thereof, (vi) the reasonable compensation, expenses and disbursements of the attorneys and agents of Beneficiary; (vii) accrued interest; (viii) deposits and other sums required to be paid under this Deed of Trust; or (ix) overdue installments of indebtedness. Beneficiary shall not be obligated to discharge or perform the duties of the landlord to any tenant or incur any liability as the result of any exercise by Beneficiary of its rights under this Deed of Trust, and the Trustee and Beneficiary shall be liable to account only for such rents, issues and profits, and other proceeds actually received by either of them.

19. Severability. If any provision of the Deed of Trust shall be held by a court of competent jurisdiction to be unconstitutional, invalid or unenforceable, the remainder of the provisions in this instrument shall continue in effect.
